

NSW MASTERS NATIONAL AND WORLD CHAMPIONSHIPS ASSISTANCE PACKAGE

NSW Masters riders looking to compete in the National and/or World Championships are invited to nominate to Cycling NSW for assistance based on the following criteria. Please note that NSW riders must meet this criteria in order to be eligible to nominate.

This policy applies to both Masters Road & Track selection at National & World Championships.

Subject to who nominates and across what categories but generally preference to be given to –

Riders from each category who have nominated for a National/World Championship event where they are:

- i. current World Champion in similar disciplines and/or
- ii. medalist at most current World Championships in similar disciplines and/or
- iii. current Australian Champion in similar disciplines
- iv. Current NSW Champion in similar disciplines

Where a rider in a category does not meet the above qualifying criteria, and no other rider from that category nominates, the selectors may choose a rider with proven results/performances in other championship events to receive the financial assistance package. (Selectors to make final choice)

Riders selected, providing they are current NSW champions for that discipline (Road/Track) are permitted to purchase NSW skinsuits and/or road clothing to compete in at cost price to Cycling NSW. All riders selected are to receive a track suit top in addition to direct financial assistance.

The amount of direct financial assistance to each individual NSW rider is at the discretion of Cycling NSW.

NSW riders are eligible for assistance at both World and National Track and Road Championships in the same year. Applications may be received from NSW Master members who have/intend on nominating for National and World championships. A rider afforded the rider assistance package must compete in the championships otherwise return the assistance package to CNSW.

Cycling NSW will advertise the closing date for nominations on its website which will be set on the nearest Sunday evening 6 weeks prior to the event.
